

EMPLOYMENT UNIVERSITY AROUND THE STATE

APSE's Professional Development Day is a bit different this year due to National APSE coming to St. Louis in June of 2019. We are excited to be hosting the National conference here in Missouri and hope to see you all there. So, this year, APSE-MO will be taking Employment University on the road to 5 different locations around the state to help train employment staff. See details below.

APSE-MO on the GO

This one-day training provides participants with an overview of the employment process. Participants will be involved in lecture presentations, interactive activities, discussion, and group networking. Topics that will be covered include:

- ✓ History of Employment Services
- ✓ Discovery & Exploration
- ✓ Job Development
- ✓ Building Business Partnerships
- ✓ On-Site Coaching Supports

Ideal attendees may include individuals employed to work with folks in traditional supported employment services, sheltered work environments, and community-based adult day programs.

Trainers Richard Coleman and Jackie Royer will be hosting this event.

**This training is approved by DMH and VR to meet a portion of required new staff training and may also be used as continuing education.*
